Seen & Heard Around Murray

The jokesters are having a great day in this election. For instance the wind-up doll jokes.

Wind up the Curtis Lemay doll and he pushes a button.

Wind up the Nixon doll and he runs and hides.

Wind up the Hubert Humphrey doll and he shoots from the lip.

Reading about a party being given to an 83 year old theatrical great and Milton Berle told him he looked the same as he did 40 years ago — old.

Saw Pete Moore in action Saturday in the Alabama-Tennessee game. Never got a look at Steve Doran but we scanned the Alabama bench every time the camera went by. Some one told us they saw a big number 79 one time however.

Alabama should have won that game. If they had taken a little.

Five Children Die In Blaze

Five young children burned to death Sunday while their father frantically played a garden hose on his blazing five-room frame home.

The Paris, Tennessee Fire Department did not respond to the alarm after receiving a second telephone call saying the house was "too far gone." The caller, a neighbor, was unaware that the children were still inside the burning house.

The bodies of the children were found in a corner bedroom where they shared the same bed. Killed were Nancy Mae Millikin, 6; Robert Earl, 4; Howard, 3; Carrie Sue, 2; and Jasper Edward, 1.

Millikin, his wife, Mae, and two other children escaped the blaze, but Mrs. Millikin and a daughter, Anna, 20 months, were hospitalized with minor burns.

Fire officials said they did not know the cause of the blaze, but speculated it centered in a wood-burning stove used to heat the home.

Letter To Editor

Editor:

Your editorial of October 8, 1968, came as a complete surprise. It was a total refutation of your previous editorials because it endorsed the wrong candidate. Your earlier editorials seemed to be based on good, common sense. I am at a loss to understand how you could be so well informed regarding our nation's ills and then offer Richard Milhous Nixon.

The Calloway County Sheriff's office investigated two traffic accidents over the weekend, according to the reports made by the deputy sheriffs.

Saturday at five p.m. Anna B. McCusiston of Metropolis, Ill., driving a 1968 Ford two door, was going north toward Murray on Highway 121, and started to make a left turn on to the old Murray-Paris Road.

Chief Deputy Curt Willoughby said that the driver lost control of the car and ran off the road between a telephone pole and the fence. Willoughby said the McCusiston car damaged a telephone cable connector and stop sign, but that minor damage was reported to the car.

Sunday at eight a.m. Deputy Sheriff Carlton Morgan was called to an accident on Highway 280.

Cars involved were a 1968 Dodge two door driven by Robert Wayne Mayers of Murray Route Three, and a 1958 Pontiac two-door driven by Robert Glenn Morrison of Murray Route Three.

Morgan said Mayers was going west and Morrison was going east. The accident happened on a curve, Morgan said. Damage to the Mayers car was on the left side and to the Morrison car on the headlight and chrome bumper.

MEET CHANGED

The Alpha Department of the Murray Woman's Club has postponed its luncheon meeting scheduled for Saturday, October 26, due to homecoming activities at Murray State University. The meeting will be held on Saturday, November 2. Members please note change in date.

Colorful Ceremony Begins With Noon Luncheon Today

The stage was set for the inauguration today of Dr. Harry M. Sparks as the fifth president of Murray State University.

More than 2,000 people, including representatives from 192 colleges, universities, learned societies and professional organizations, are expected on the campus today for the historic event.

Among them will be the presidents of 26 colleges and universities.

The day's activities officially opened with a noon luncheon in the Student Union Building at which Dr. Adron Doran, president of Morehead State University, spoke. Dr. Doran holds two degrees from Murray State University.

The inaugural ceremonies got under way at 2:30 p.m. and were conducted in the University Auditorium.

Leading the inaugural procession was Dr. Hugh L. Oakley, dean of the School of Applied Science and Technology at Murray, who carried the University's mace, the symbol of the President's authority. It is used in all academic ceremonies, and was designed and made by the Department of Industrial Education at the University.

Next came the marshals, all deans at the University — Dr. W. E. Blackburn of the School of Arts and Science, Dr. Donald B. Hunter of the School of Business, and Phillip Tibbs of the School of Business.

They were followed by the delegates of the colleges and universities, the learned societies and organizations, the faculty, officers of the student government, the executive board of the Murray Alumni Association and the Council on Public Higher Education.

Last to enter the auditorium was the platform party, including Gov. Louie B. Nunn, members of the Murray Board of Regents and participants in the ceremony.

Presiding over the inaugural ceremonies, to which the general public was invited, was M. O. Wrather, executive vice president and since 1938 a member of the University's administrative staff.

Dr. H. C. Chiles, pastor of the First Baptist Church in Murray, delivered the invocation. This was followed by special music by the Murray State University choir under the direction of Robert Baar, an associate professor of music. This music occurred by press time today.

Scheduled next was the installation of Dr. Sparks as Murray State's fifth president by Wendell Butler, superintendent of public instruction in Kentucky and chairman of the Murray Board of Regents.

Following a response by Dr. Sparks, Gov. Nunn was to present the first of a series of salutations from special groups. He will be followed by William H. Abell, chairman of the Council on Higher Education. Mrs. Martha Dell Sanders Paducah, president of the Kentucky Education Association, will speak on behalf of that organization, followed by Max Hurt, president of the Murray Alumni Association; James Spencer Solomon, president of

the Student Government Association; Murray Mayor Holmes Ellis; and Dr. Josiah Darnall, professor of music at the University, who will be representing the faculty.

The choir will present, "Te Deum" ("Lord God, We Praise Thee") under the direction of Baar and with John C. Winter at the organ.

Dr. Frank G. Dickey, executive director of the National Commission on Accrediting, Washington, D. C., then will deliver the inaugural address this afternoon.

Dr. Dickey's address will be followed by the playing of "The Academic Ceremonial Overture" by the Murray State wind symphony under the direction of Paul W. Shahan. The composition,

Frank Naracci

Frank Naracci lived to be only 25 years old, but he lived a full 25 years.

Naracci or "Big Frank" as the kids in baseballs Pony League, and Little League Football called him, filled that short span of time with helping others.

He helped people in any way he could and as many times as he could, and he would go just a little further if that person was a young boy.

Frank had a love for sports and an even deeper love for kids, and I think this is the reason that he was so easy to get to know, and to like.

I first met Frank at a high school basketball game just about a year ago, and before I left that night I felt as if I had known him all my life.

Frank worked with Ellis Muller on WNBS that year, and I saw him at almost every game I went to up until Christmas. He went home to Nazareth, Pa., for Christmas vacation, and word came back that "Big Frank" was sick, and would be unable to return for the spring semester, and maybe not at all.

But, Frank was not the kind of man to quit, he went to several different doctors, and as much on his own as anything else he returned to Murray State for the summer semester.

He started working with boys again and helped coach in the Murray Pony League, which was one of the things that made him want to come back so much. He worked with William Pinkston in coaching this summer, and had several long talks with him. One of the things he remembers Frank saying was, "If I have only one year or forty to live, the only thing to do is prepare for the future."

This is the way Frank thought, and this is the way he lived, living day by day, and preparing for the future, no matter how short it was.

Frank was an elementary education major at the University, and planned to teach junior high, and had he lived he would have been out on the baseball diamond, the football field or the basketball court every chance he got, working with young boys.

Frank will be missed by everyone he came in contact with during the 25 years he spent in this life, and to know him was to like him.

Lots o' good football over the weekend, and most of it turned out good. Murray High beat Tilghman, Murray State defeated Middle Tennessee, now if the Tide had only made that field goal I would be real happy. Not that I am against Tennessee, its just that I am for teams that local boys are playing for, and as you know Steve Dorin is playing for Alabama.

Speaking about local boys, Lynn Stranak and Stan Key were both in about a week ago. It was good to see the boys. I didn't get to talk to Stan, but was able to get a few facts on Lynn. They have just finished fall practice and Lynn showed up real well. He had a 2-0 record on the mound and a .42 ERA, since he reported. He pitched in 21 innings and struck out 23 men. In the final game he had two doubles and a single in five trips to the plate.

I have a copy of the University of Kentucky freshman basketball schedule which I will run in the next few days, for those that might want to make the trip to see Stan in action.

Glotzbach Wins National 500 In Dodge Charger

By TERRY WOOTEN
CHARLOTTE, N. C. (UPI) — An Indiana youngster named Charlie Glotzbach got the racing fever in a soapbox racer about 20 years ago, and he hasn't been cured yet.

Sunday, the 30-year-old Glotzbach didn't seem to mind having the incurable disease. The affable Georgetown, Ind., race driver won his first superspeedway victory by guiding his 1968 Dodge Charger to a record 135.324 miles per hour in the National 500 stock car race at the Charlotte Motor Speedway.

"It's great," a modest Glotzbach said of his win. "I don't hardly know how to describe it."

Glotzbach, in his second season as a front-line driver in NASCAR's Grand National stock car division, picked up \$19,380 by winning the 500 mile race.

Keeps Magic Alive
His win in the Cotton Owens-built Charger also kept the Dodge magic alive at the 1 1/4-mile, high-banked track. Dodge has now won four of the last five races here.

Another Dodge driver, 20-year veteran Paul Goldsmith of Munster, Ind., finished second in the race, eight seconds behind Glotzbach. David Pearson of Spartanburg, S. C., finished third in a 1968 Ford Torino in the same lap.

Pearson is the leading driver in the NASCAR grand national point championship race. He picked up 18 points over nearest challenger Bobby Isaac of Catawba, N. C., and now holds an 81-point lead. Isaac finished ninth.

Bobby Allison of Hueytown, Ala., finished fourth in the race in a 1968 Plymouth and Cale Yarborough of Timmonsville, S. C., finished fifth in his 1968 Mercury. Donnie Allison of Hueytown, Ala., was sixth in a 1968 Ford Torino.

Stars in Pole Position
Glotzbach, who started the race in the pole position, said he and Owens were successful in their race plan.

"The plan was to take it easy on the first part and then close hard," said Glotzbach.

Tilghman Sets Records As Murray Defeats Middle 35-13

By United Press International
Western Kentucky maintained its unbeaten, untied and unscored upon record Saturday night but had a tough time doing it beating Tennessee Tech 13-0 in a tenuous Ohio Valley Conference battle.

The Hilltoppers, who have now won five straight, scored on a blocked punt in the third period when Romeo Crennel pounced on the loose football. Elsewhere in play involving OVC teams, Murray, behind the passing of Larry Tillman of Ripley, crushed the Blue Raiders of Middle Tennessee State 35-15 and Chattanooga dumped East Tennessee State 16-6.

Morehead defeated Youngstown 35-26.

Johnny Vance raced for nine yards with 5 minutes left in the game for Western's final score. Tillman, the OVC's top offensive player, completed 15 of 25 passes for 209 yards to lead Murray.

Tillman now has 1,017 yards in five games for the Racers. He passed for two touchdowns to lead Murray to its third conference victory against no losses.

Murray scored in every period, twice in the third, en route to its fourth straight victory.

A 77-second opening deadlock with UT Martin in the first half on the Racers record.

Tillman scored the first touchdown of the game with 10:24 left in the first quarter on a one-yard sneak. The play capped a 64-yard drive following the opening kickoff with senior fullback Joe Meade contributing the key play on the drive, a 22-yard setting Tillman's sneak from the one.

Freshman kicker Fred Brudery added the first of four conversion attempts for a 7-0 Murray lead.

Middle Tennessee tied the score with 2:15 left in the half with Taylor Edwards going over from the one to complete a 26-yard drive. Kevin Tucker's conversion made it 7-7.

Tillman brought the Racers back, moving the ball 65 yards in 91 seconds. The senior quarterback hit on six of eight passes for 63 of the yards, ending the drive on a five yard scoring strike to Hess. Brudery's conversion made it 14-7 with 24 seconds left in the half.

A 28-yard scoring strike from Tillman to Young gave the Racers their first third period TD. The play was the ninth in a 62-yard drive with Tillman passing three times for 59 yards. Meade contributed a 21-yard gainer to launch the drive.

With one second left in the third period, junior tailback Russ Hake cranked over in a 22-yard drive. Hake carried five times in the drive for 24 yards.

Murray's last touchdown came early in the fourth quarter when sophomore defensive back Danny Mackberry intercepted a Dickie Thomas pass and returned it 31 yards for paydirt.

MTSU scored its last touchdown with 1:38 left on the clock when reserve quarterback Bill Griffith hit Jamie Jamison for

a 15 yard score. Murray rolled up 263 yards rushing and added another 209 passing for a total offense of 472. MTSU had 142 rushing and 147 passing for a 289 total.

Tillman completed 15 of 24 passes for all the passing yardage, but had three passes intercepted. Another Murray pass thrown by Hake was intercepted in the end zone, giving Middle Tennessee three end zone interceptions for the night.

Hake rolled up 136 yards in 25 carries and Meade added 80 in 13 hauls. Sophomore end Jack Wolfe was the leading receiver with 64 yards.

Chattanooga quarterback Roger Catarino led his team to its fifth straight victory passing for one touchdown.

Chattanooga jumped off to a 7-0 advantage in the second period with Catarino throwing to Angelo Napolitano for a five yard scoring play.

East Tennessee scored on a four yard run by Pat Houser in the third period. Chattanooga came right back to score on a drive with Bucky Wofford ramming in from the 2. Jim Cooper booted a 37 yard field goal to end the scoring.

Unique Upside-Down Style Earns Gold Medal

Tenn.-Georgia Tie Leaves Them Only Unbeaten Teams

By DAVID M. MOFFITT
UPI Sports Writer

ATLANTA (UPI) — That season-opening tie between Tennessee and Georgia is beginning to stick out like Cyranos nose.

With underdog North Carolina knocking off 7th-ranked Tulane Saturday, the 8th-ranked Vols and the 9th-ranked Bulldogs today are the only unbeaten major college football teams in the South.

Furthermore, Florida's loss gives substance to critics' charges that the Gators are "paper tigers" who will have trouble winning their first Southeastern Conference title—even with a weak schedule.

If the Gators are no longer the favorites, then the Bulldogs and Vols are.

Won Four Straight
Both have won four straight since that tie. Georgia overpowered Vanderbilt Saturday 32-6 while Tennessee was edging Alabama, another ex-favorite, 10-9.

It now appears that the Georgia-Florida game at Jacksonville, Fla., on Nov. 9 and the Tennessee-Mississippi game at Knoxville, Tenn., on Nov. 16 will be the keys to the 1968 SEC race. Auburn and Louisiana State are both unbeaten in league play; but Auburn closes with Florida, Tennessee, Georgia and Alabama in 1-2-3-4 order and LSU must get past Mississippi and Alabama to claim the title.

Independent Georgia Tech upset Auburn 21-20 Saturday and LSU, beaten 30-0 by independent Georgia Tech upset Ala-

bama 21-20 Saturday and LSU, beaten 30-0 by independent Miami the previous week, took an unimpressive 13-3 victory over Kentucky.

In other games this past weekend, it was Mississippi 21 Southern Mississippi 13, Mississippi State 28 Texas Tech 28, Florida State 20 Memphis State 10, Miami 13 Virginia Tech 8, Tulane 28 Boston College 14 and Tampa 21 Eastern Michigan 0.

Three SEC Games
There are three conference games this coming Saturday.

Florida will be at Vanderbilt, Georgia will be at Kentucky and LSU will be host to TCU in a game that counts in the SEC standings by ruling of Commissioner Tonto Coleman.

In other regional action next Saturday, Alabama will host Clemson, Auburn hosts Miami, Mississippi hosts Houston, Mississippi State will be at Tampa, Florida State will be at South Carolina, Southern Miss will be at Memphis State, Tulane will be at Georgia Tech and West Virginia will be at Virginia Tech.

Karl Krenshaw's 54-yard field goal, one yard longer than the previous SEC record, provided Tennessee's winning points Saturday but defensive back Jim Weatherford shared the limelight. Outstanding throughout the game, Weatherford broke up a two-point conversion pass and blocked a last-second field goal attempt.

Defensive tackle Bill Stanfill's 64-yard run with a pass interception woke up slumbering Georgia.

Eight Gator Fumbles
Florida, a two-touchdown favorite, lost the ball eight times

on fumbles—five times by Gator star Larry Smith.

Sophomore quarterback Archie Manning, taking over the SEC total offense lead with 942 yards, gained 321 yards passing and running; bring Ole Miss from behind in the final nine minutes.

Georgia Tech quarterback Larry Good, who leads the South in total offense with 1,095 yards, passed for two touchdowns as set up another as the Yellow Jackets overcame a 14-deficit.

Mississippi State quarterback Tommy Pharr passed for 204 yards and ran for two touchdowns as the Bulldogs snapped an 11-game losing streak by tying favored Texas Tech—the only team they beat last season.

Bill Cappelman, who has taken Florida State's quarterback job away from Gary Payne, passed for 279 yards with Ron Sellers, the Seminoles' famed receiver, catching 13 passes for 218 yards and two touchdowns.

FOR PEANUTS
PALM SPRINGS, Calif. (UPI) — Harry "Peanuts" Lowery, San Francisco Giants coach, has captured the 9th annual Baseball Celebrity golf tournament.

Lowery had a 72-hole total of 283, five strokes in front of Andy Messersmith. Defending champion Sammy Ellis of the California Angels finished fourth.

DANCERS from Mali, Africa, and Murray Civic Music can change Murray's tempo. Do you have tickets for this season?

Yes, Mr. Smiley

CINCINNATI—Tom Smiley of Miami, trying to skirt his left end, is up-ended by Cincinnati's Jon Bramlett, who loses his helmet in the encounter. Smiley picked up three yards in the second period action of the American Football League game won 24-22 by the Dolphins.

George Wallace handled himself well on Meet the Press yesterday.

If you like cheese go out to IGA and get a piece of that 500 pound block. It is a sharp-mild cheese.

Only two penalties in the Murray-Tilghman game. This was a cleanly fought contest.

If you like country music, WSIX-TV has three hours of it on Saturday night. We started watching it Saturday night and folks like Marty Robbins, Billy Walker, Charlie Pride and Bill Anderson hold forth. The Lonesome Rhodes, Tender Tom Brumley and his steel guitar, Buck Owens and Hank Williams, Jr. Don Rich singing Goin' A Fishing on the Mississippi and Hank Williams sounding just like his Dad.

Eddy Arnold has turned this area of music into a veritable gold mine for himself and lifted it to heights never before attained.

Nice folks met last night, the Manning Hiers. He's in the psychology department at MSU and she's got a masters degree in French.

We're still working on the English language. We'll learn it sooner or later.

We are short one gold fish this morning. Started out last night and saw something beside the aquarium on the floor. Turned out it was our prize fish who had flipped completely out of the water landing on the floor. We picked him up and gave him artificial respiration by pushing him back and forth in the water but he had just been out of his natural climate too long. He failed to revive.

He was just too frisky for his own good.

We've got to get a top for the dern thing to reduce the casualty rate. He did this once before when we were standing there and we plopped him right back in the drink and he swam off.

He led sort of a lonely existence anyway, just hanging there in one corner. Did not have much privacy either. We'll have to admit that he did not have too much to look forward to.

al Groups under the direction of Mrs. Lucinda Darnall, and the Calloway High Band, directed by Mrs. Carolyn Figg.

Guests of the school included Supt. Buron Jeffrey, Asst. Supt. William B. Miller, Supervisor Edward Card, Pupil Personnel Director Charlie Lassiter, and members of the County Board of Education.

Crittenden introduced the thirty-six teachers, the lunchroom personnel, the custodians, and other school officials who were seated in a special section of the gym.

The principal said that the school enrolled 211 freshmen, 181 sophomores, 162 juniors and 138 seniors for a total of 692 for this school term. The school, a member of the Southern Association, offers 46 different courses, more than any other school in the area except in McCracken County. He said nineteen of the teachers have their master's degrees and all of the teachers have their Bachelor's degrees. They are all teaching in their own fields of study, Crittenden said.

Mr. Crittenden said that more than sixty percent of the senior class of 1968 is now enrolled in colleges or universities.

Following the program the parents and friends toured the building meeting the teachers and discussing their students' work with the various instructors.

Refreshments were served in the cafeteria by the lunchroom personnel.

School officials said this was the largest attendance ever at the annual Parents' day and expressed their appreciation for each one present.

Officers of the junior and senior classes served as guides for the parents as they toured the school complex.

on as an acceptable remedy.

Mr. Nixon disqualifies himself by the company he keeps. His reputation as an anti-communist was destroyed in the 1952 election wherein one of his strongest advocates was Paul Hoffman; a trustee of the Communist Institute for Pacific Relations and a member of the American United for World Government. Mr. Nixon also has in his corner those ultra-liberals who, as a matter of "principle," could not support the conservative Barry Goldwater, when he was the party's candidate. What is it that inspires such cooperation between the Republican leftists and the Republican presidential nominee? I fear that somewhere along his political climb Richard Nixon compromised his principles.

Why does Mr. Nixon continue to deny the American voters the benefit of a three-way debate? Perhaps he suspects his convertible principles would not hold up too well under those circumstances.

In recalling your prior editorials, I distinctly gained the impression that your recommendation would be George C. Wallace. He is the only candidate who has been consistent in his statements throughout this campaign. The "Spoilers" and their henchmen have been unable to shake his convictions, even though they have employed every yellow-journalism lie and smear tactic against him. Mr. Wallace never has and I believe he never will compromise principle for popularity. There is the strength behind his ever-increasing support.

If, as you stated in your editorial, you have not heard Mr. Wallace give any "hard solutions" to the many problems facing us, it could be due to your unwillingness to listen. I have heard his "hard solution" on anarchy; enforce existing laws without exception. I have heard his "hard solution" to galloping federalism; a return to states' rights. I have heard his "hard solution" on Viet Nam: win it, either at the bargaining table or on the battle field, but WIN IT. I would certainly classify the above as positive and realistic answers to our dilemma.

All of us across the nation who will vote the Wallace-LeMay ticket can rest assured that we have elected two staunch adherents to basic American principles.

This will be followed by the conferring of honorary degrees by Dr. Sparks to Dr. Ralph H. Woods, president emeritus of the University, and Jesse Stuart, renowned Kentucky poet and writer. Dr. Woods will receive an honorary doctor of laws degree, while Stuart will receive an honorary doctor of pedagogy degree.

Assisting in the conferring of the honorary degrees, the first given in the history of the institution, will be Dr. Oakley, Dr. Thomas B. Hogancamp and Dr. William G. Nash.

Following a benediction by Dr. Samuel R. Vance, president, Mrs. Margaret Mae Waldrop, vice-president, Mrs. Jessie Shoemaker, state world affairs chairman, Mrs. Madeline Talent, recording secretary, Miss Doris Rowland, immediate past president, Mrs. Ruby Pool, Miss Vivian Hale, Mrs. Myrtle Wall, Mrs. Laurine Doran and Mrs. Betty Vinson.

The address was given by Miss Katherine Peden who has been a member of BPW since 1945. She joined the Hopkinsville Club and held various offices in that club. She was elected president of the Kentucky State Federation and from 1961-62 was president of the National Federation of BPW Clubs, and was the youngest woman to serve in that capacity.

Miss Peden reminisced on what BPW had meant to her through the years. She paid tribute to Miss Emma Iger and Miss Ester Milton who were responsible for her being non-included as state president at a spring district meeting at Murray in 1952. She said that these ladies gave her the hand which made her go forward up the ladder.

This 30th meeting of Fall Round-Up was dedicated to Miss Emma Iger and Miss Ester Milton for their long years of faithful service to BPW. Miss Iger helped to organize the Murray BPW club, and she lives in Paducah.

Miss Peden said that she is opposed to a guaranteed income for persons. She believes that every able bodied person should have a job. Her program of courting industry for Kentucky more than tripled potential capital spending and made 140,000 new jobs available in the four years that she served as Commissioner of Commerce, Miss Peden said. Jobs, she believes, put families back together and family strength cuts down on crime and delinquency, she further said.

BPW members have set a pace for women of all the world. One of the Federation objectives is to elevate the standards of women who work. Miss Peden believes that the voice of a woman is needed on the national scene.

Miss Peden told the BPW members that she would like to be an architect so she could help to build in the next six years with a woman's touch. She promised to work as hard in the Senate as she has worked for BPW.

door owned by Chester Kendall, was going south on Meadow Lane, when her car was hit by the 1955 Ford four door driven by Clarence LaMaurr Britt, Jr., Route One, Lynn Grove.

Britt was going east on Story Avenue and pulled out from a stop street and collided with the Kendall car, according to the police report.

Damage to the Ford was on the front end and to the Volkswagens on the right side.

The Murray police investigated a collision Saturday at 7:15 p.m. at 12th and Olive Streets.

Cars involved were a 1962 Ford Galaxie driven by Jimmie Dale McKinney, 510 North 7th Street, and a 1962 Ford Falcon driven by Fred Thomas Hughes of Hazel Route Two.

Police said Hughes, going west on Olive Street, stopped for the stop sign at 12th and Olive, started to make a left turn onto 12th, and hit the McKinney car, going south on 12th, in the left side.

Damage to the Ford was on the left side and no damage was reported to the Hughes car Saturday at noon another collision occurred on the Sears parking lot.

Involved in the collision were a Triumph convertible driven by Janice J. Lowry of 1616 Miller and owned by Dwain Lowry, and a 1968 Oldsmobile being driven by Elizabeth Morton Furches of Murray Route Four.

Police said Mrs. Lowry started to leave the Sears parking lot and collided with the Furches car that was parked head north.

Damage to the Triumph was on the right front fender and to the Oldsmobile was on the right front bumper and right fender.

The speaker, attired in native dress of the typical Ibo woman, described similarities and differences in life of the Ibo woman as compared to the typical American woman.

Mrs. Sledd discussed the types of houses, foods, crops, and types of labor common in the area of Nigeria.

The missionary stressed that 250 tribes located in Nigeria are fiercely proud of their distinguished tribal customs and have maintained individuality in spite of government attempts to make them Nigerian.

On display for the meeting were examples of tribal crafts, work, news articles from African papers and two Communist publications distributed in the area.

Mrs. Claude Miller, WMS president, presided.

Rev. and Mrs. Sledd and their children, two girls and one boy, are actively engaged in the various programs of the Memorial Baptist Church while they are residing at 102 North 12th Street, Murray.

Rev. and Mrs. Sledd, a native of Gilbertsville, is enrolled for special courses at Murray State University. He was pastor of the New Bradenburg Baptist Church, Brandenburg, at the time of their appointment to Nigeria in 1961. This is their second furlough from their mission work.

Mrs. Sledd is the former Betty Sanders of Detroit, Mich., and will be the speaker at the meeting of the Blood River Women's Missionary Union at the Calvert City Baptist Church on Monday, October 28, at seven p.m.

W. Barkley Cole Is Listed As Fair By Hospital Officials

W. Barkley Cole of Murray Route Two is listed as fair condition by officials at the Murray-Calloway County Hospital this morning.

Cole, age 51, who lives just off the Johnny Robertson Road was admitted to the hospital Saturday about one p.m., suffering from a gun shot wound in the upper left shoulder, according to hospital officials.

Chief Deputy Sheriff Curt Willoughby was called to the home and later to the hospital. Willoughby said Cole told him that he was sitting under a tree, started to go toward the house, and stumbled. Cole told him that he remembered before he awoke at the hospital. Willoughby said Cole was shot with a 22 calibre single shot, lever action, and the wound was reported to be an accident.
